

# SHEET METAL INDUSTRIES

The only Journal in the World wholly devoted to the Manufacture, Manipulation, Fabrication, Welding, Assembly and Finishing of Ferrous and Non-Ferrous Sheet and Strip Form. The Official Organ of the Institute of Sheet Metal Engineering, the Sheet Metal Industries Association, the Cold Rolled Sections Association, and the Cold Rolled Steel Strip Association.

ESTABLISHED 1927

HEAD OFFICE: JOHN ADAM HOUSE, 17-19, JOHN ADAM STREET, ADELPHI, LONDON, W.C.2

## Index to Volume 44

January to June 1967

### Subject Index

A	Page	Page	
Alloys, The Press Formability of Aluminium and its .....	391	British Coil-coating and Roll Forming Line, Sweden Installs .....	371
Aluminium and its Alloys, The Press Formability of .....	391	British Deep Drawing Research Group .....	132, 344
Aluminium Coating Steel Strip, A New Process for .....	36	British Power Press Manufacturers' Association .....	48
Anisotropic Plasticity of Metals, Assessing Normal .....	167	C	
Anisotropy and Drawability of Extra Soft Rimming Steels, Influence of Addition Elements and Special Treatments on the .....	21	Clinching Machines, Their Design and Function .....	117
Annealing Produces One-coat Enamelling Steel, Open-coil .....	85	Coating Steel Strip, A New Process for Aluminium .....	36
Application of an X-ray Fluorescent Technique to the Measurement of Tin-coating Thickness of Small Areas, The .....	33	Coil-coating and Roll Forming Line, Sweden Installs British .....	371
Apprentice Competition—The Final Selection Test, International .....	337	Coil-coating Line in Spain .....	338
Automatic Multi-weld Assembly Line for the Vauxhall Viva Underbody, The .....	332	Cold Extrusion Group General Meeting and Colloquium, A Report .....	415
'Avothane', Stripping Springs from Ayrshire Metal Products Ltd., The Production and Fabrication of Cold-formed Sections at the Works of .....	387	Cold-formed Sections at the Works of Ayrshire Metal Products Ltd., The Production and Fabrication of .....	230
B	230	Colloquium, A Report of the Cold Extrusion Group General Meeting and .....	415
Bath and Sink Pressings at Edward Curran Engineering Ltd., Quality Production of Blank and Product Surface Finish and Lubrication in Deep-drawing and Stretching Operations, The Relationship Between the .....	417	Competition—The Final Selection Test, International Apprentice .....	337
Blanking Three Washers Simultaneously .....	95	Component from Strip, Folding a Tee-shaped .....	31
	335	Constant-gap Mill in Service .....	15
		Corrugated Sheet, Pre-painted Galvanized in .....	310
		D	
		Deep-drawing and Stretching Operations, The Relationship Between the Blank and Product Surface Finish and Lubrication in .....	95
